**JUVENILE CORRECTIONAL SYSTEM**

Under current law relating to community youth and family aids, generally referred to as "youth aids," DOC is required to allocate various state and federal moneys to counties to pay for state-provided juvenile correctional services and local delinquency-related and juvenile justice services. DOC charges counties for the costs of services provided by DOC according to per person daily cost assessments specified in the statutes. Currently, those assessments include assessments of \$275 for care in a juvenile correctional facility, \$275 for care for juveniles transferred from a juvenile correctional institution, \$313 for care in a residential care center for children and youth, \$200 for care in a group home, \$75 for care in a foster home, \$130 for care in a treatment foster home, \$103 for corrective sanctions services, and \$41 for aftercare services. This bill changes those assessments for fiscal year 2011-2012 to \$288 for care in a juvenile correctional facility, \$288 for care for juveniles transferred from a juvenile correctional institution, \$321 for care in a residential care center for children and youth, \$194 for care in a group home, \$78 for care in a foster home, \$118 for care in a treatment foster home, \$102 for corrective sanctions services, and \$42 for aftercare services; and for fiscal year 2012-13 to \$291 for care in a juvenile correctional facility, \$291 for care for juveniles transferred from a juvenile correctional institution, \$337 for care in a residential care center for

children and youth, \$202 for care in a group home, \$81 for care in a foster home, \$124 for care in a treatment foster home, \$104 for corrective sanctions services, and \$42 for aftercare services.

Please review this draft carefully to ensure that it is consistent with DOC's intent.

As we discussed in our conference call with DOC on January 20, 2011, this draft, in addition to setting specific dollar amounts for certain daily rates over the next two fiscal years, provides that the daily rate for any alternate care services (i.e., care for juveniles in a residential care center for children and youth, care in a group home, and care in a foster home), is equal to the amount the provider of those services charges DOC.

The draft deletes any rate for or reference to "treatment foster care" in the statutory sections relating to the daily rate. Also, note that there is no reference to the various levels of foster home care established by rule by DCF because as of January 1, 2011, which is the date stated in DCF's notice of implementation of foster care levels of care, the definition of "foster home" ~~under s. 938.02 (6), which the draft references,~~ encompasses all of the levels of foster care DCF establishes by rule.

If you have any questions, please do not hesitate to contact me.

Thank you.

Hi Mike,

On the juvenile rates draft, Corrections would like a reference of some type of rates reviewed and approved by DCF. I will be sending updated rates (hopefully tomorrow!), so don't bother sending it through proofing until I get you those rates because they are changing.

Thanks,

Katie

DOA:.....Kisiolek, BB0041 - DJC Daily Rates

**FOR 2011-13 BUDGET -- NOT READY FOR INTRODUCTION**

do Not gen

1 AN ACT ...; relating to: the budget.

*Analysis by the Legislative Reference Bureau*  
**CORRECTIONAL SYSTEM**

**JUVENILE CORRECTIONAL SYSTEM**

Under current law relating to community youth and family aids, generally referred to as "youth aids," DOC is required to allocate various state and federal moneys to counties to pay for state-provided juvenile correctional services and local delinquency-related and juvenile justice services. DOC charges counties for the costs of services provided by DOC according to per person daily cost assessments specified in the statutes (the "daily rate"). Currently, the daily rate is \$275 for care in a juvenile correctional facility, \$275 for care for juveniles transferred from a juvenile correctional institution, \$313 for care in a residential care center for children and youth, \$200 for care in a group home, \$75 for care in a foster home, \$130 for care in a treatment foster home, \$103 for corrective sanctions services, and \$41 for aftercare services. This bill makes the following changes to those daily rates:

\$284

1. For fiscal year 2011-2012, the daily rate is ~~(\$285)~~ for care in a juvenile correctional facility, ~~(\$285)~~ for care for juveniles transferred from a juvenile correctional institution, \$99 for corrective sanctions services, and \$40 for aftercare services.

2. For fiscal year 2012-2013, the daily rate is ~~(\$290)~~ for care in a juvenile correctional facility, ~~(\$290)~~ for care for juveniles transferred from a juvenile correctional institution, \$100 for corrective sanctions services, and \$40 for aftercare services.

\$289

3. In addition, the bill eliminates the specific dollar amounts for the daily rates for care for juveniles in a residential care center for children and youth, group home, and or foster home, and instead provides that the daily rate for each of those types of care is an amount equal to the amount the provider of that care charges DOC. The bill also deletes treatment foster care from the list of services for which DOC charges a daily rate.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.
